Hirers should acquaint themselves with the current costing arrangements and pay invoices when presented. Trips must be paid for in advance.
4. The minibus cannot be hired by commercial/profit-making organisations or hired for activities (or as part of activities) that are profit-making. For example, this means that a private residential home, a private nursing home or a commercial business cannot hire the minibus.
5. The minibus is unable to carry passengers in wheelchairs and is not equipped with a passenger lift. Please also note that storage capacity or room for equipment is very limited.
6. The design and construction of the minibus seating, and restrictions on space available, do not allow us to safely accommodate very young children from aged 0 to 6 years (up to 22kgs). We can carry children aged 6 (from 22kgs) and over who do not need a car-seat as our seatbelts are adjustable.

8. The operator retains the right to refuse a Trip Booking request. Hiring of the minibus should be for trips consistent with the Group Member's constitution and community/voluntary work.

10. Hirers are responsible for ensuring the operator has emergency contact information before each trip.
11. Hirers are responsible for the behaviour of the passengers and the minibus must be left clean and tidy after each trip. Cleaning, repairs or damage may be charged to the hirer.
12. Any use of the first aid kit or fire extinguisher must be reported to the driver.
13. It is compulsory that all passengers wear a seatbelt at all times unless a passenger has written dispensation from a doctor. We operate a policy of "No Click; No Trip!"

14. Hirers may be required to pay for entrance fees, parking charges, toll charges, etc. for the driver and minibus as extra expenses.
15. All trip bookings must be confirmed by letter, fax or email using the operator's Trip Enquiry Form and trips booked with at least 2 weeks notice.
16. Any hirer who cancels a booking within 5 business days of hire will be charged a Late Cancellation Charge. Please refer to Group Membership Charges & Hire Fees.
17. There is a No Smoking policy, and the consumption of food and drink is not permitted on the minibus.
18. Any damage caused by the hirer and passengers must be reported to the driver or operator as soon as possible. The hirer may be charged for this damage and any excessive cleaning required.
19. The operator reserves the right to change these Terms & Conditions to align with any legal, operational or statutory requirements.
20. The operator will not be held responsible for any lost or damaged property, personal belongings or valuables.
21. The operator may, under exceptional circumstances, sub-contract a trip using an authorised minibus operator ensuring that all the necessary certifications and safety measures are fulfilled.
22. Disclaimer: the operator will make every effort to ensure that bookings are fulfilled; the operator cannot accept responsibility for bookings that are cancelled or trips that are delayed or withdrawn due to reasons beyond our control (e.g. traffic congestion, accidents, poor weather, etc.)
